**Thank you for choosing USA Distributors for your rental needs. Here are a few things you need to know during your rental.**

- **CLEANUP FEE:** The customer must clean all equipment after they are done with the rental. This means tanks and hoppers on sweepers and scrubbers must be dumped and rinsed out after use, including debris tray if it has one. **If this is not done there will be a 100.00 cleaning fee no matter what type of equipment.**
- **FUEL CHARGE:** When returning a LP fueled machine, the propane tank must come back full. **When the tank comes back and it is anything but completely full, there will be a \$50.00 fuel charge per tank.**
- **DAMAGE FEE:** The customer is fully responsible for the equipment they rent. **Any damage done to the equipment will be charged back to the customer.**
- Our business hours are Monday – Friday 8a.m. to 5p.m. If for some reason you need a service tech or have any questions at any time call 305-805-0253.
- **All Friday rentals are to be returned on Monday with the rental fee of 1 ½ day charge.**
